Christmas enterprise activity

Dear Parents,

We mentioned on our last newsletter that the children will be taking part in an enterprise activity to raise money. The children will be learning about being entrepreneurs- how they can raise money, cost of materials, profit etc...

The children will be turning a plain glass jar into a spectacular Christmas lantern, which may make an ideal present for loved ones. The cost of this unique piece of glassware will be **£1.50**.

If you wish to purchase your child's lantern, please place the correct money in the attached envelope with your child's name and class clearly marked and return to school by Friday 10th December. The school office will not be able to accept loose cash at the office.

Yours sincerely

Mrs L Barbuti
Head of School.
