

17<sup>th</sup> October 2019

Dear Parents/Carers,

The Department of Education and Ofsted have set out a new agenda for schools under the umbrella title of the 'Knowledge Led Curriculum' (KLC). It is the framework by which all schools will be inspected and judged.

This change requires every school and classroom teacher to re-examine their approach to the education they provide for their learners. In order to do this, the Nova Education Trust and its board of Directors have granted an additional training day on:

**Wednesday 4<sup>th</sup> December 2019**

This means that our and all other Nova schools will be closed to children on the above date. This is not a decision that has been taken at school level. However we hope this early notice will enable families to more easily make alternative arrangements for child care and supervision.

Please note that this is in addition to the Inset day on 4<sup>th</sup> November 2019.

Yours sincerely,

Linda Barbuti  
Head of School
