

## MATHS CHALLENGE - YEAR 1

Robert Miles  
Infant School

Name: \_\_\_\_\_

Class: \_\_\_\_\_

Learn a song for the months of the year or the days of the week (e.g. Cbeebies).	Play a board game that involves counting.	Do a dot-to-dot.	Find 5 coins that make 10p.
See how many things you can find in your house that are cube shaped.	Use chalk to draw a hopscotch grid and challenge a family member to a game.	Make a cake and help an adult weigh the ingredients.	Make a model or picture with a repeating pattern.
Learn a number rhyme.	Go on a shopping trip and handle money.	Use a ruler to see who has the biggest feet in your family.	Collect 2p/5p/10p coins and practise counting in multiples.
