

## **MATHS CHALLENGE - YEAR 2**

Name:		Class:		
Learn a song for the months of the year.	Can you complete the attached multiplication challenge? Time yourself to see how quickly you can complete it!	Can you complete the attached shape quiz?	Find at least 3 different ways to make 87p.	
Choose a day of the week. Can you record what you did at different times? E.g. 5 o'clock – football practise.	Find two numbers in the environment (door numbers, road signs). Can you create a fact family with these numbers? How many number sentences can you think of?	Make a cake and help an adult weigh the ingredients.	Can you collect your own data to find out people's favourite pet? Choose a way to record your data.	

Go on a shopping trip

with a grown up. Can

you count out the

correct amount of

money needed?

Use a ruler to see who

has the biggest feet in

your family. Can you

put the lengths in

order?

Choose a number up

to 100. How many part

whole models can you

draw to represent it?

## **MATHS CHALLENGE - YEAR 2**

Robert Miles Infant School

Play a board game

that involves counting.
