

Robert Miles
Infant School

Wednesday 23rd January 2019

Dear Parents/ Carers,

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Friday 1 February 2019**. Number Day is a Maths- inspired fundraising day for children, which will also be fun for the children spending the whole day on a variety of Maths challenges. Number Day is a great way to make Maths fun and bring about a positive, 'can-do' attitude towards it.

We have decided to do something different to fund raise, rather than the suggested cake sales, sponsorship and dress up days. We would like to create some Maths inspired artwork in the hall using loose change, as that is often something we have around the house, in a jar etc...An outline will be sketched out in chalk on the hall floor and the children will be taken down to the hall to place their change on the floor to build the picture. All coins are acceptable. We will then bag this money up to donate to the NSPCC. It all adds up.

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse.

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Robert Miles Infants will make an enormous difference to children today and help change the lives of children tomorrow.

Thank you.

Yours sincerely

Mrs Barbuti
Head of School
