

26th April 2021

Dear Parents and Robert Miles community,

I am delighted to be writing to introduce myself to you as your new Head of School in September. I would like to begin by thanking Mrs Barbuti who has led the school over the past four years and who I know will be missed. I feel honoured and privileged to have been chosen to continue to build upon the success the school has already achieved under Mrs Barbuti's leadership.

My name is Mrs Sonja Adams, and I am currently working at Victoria Primary School in Nottingham. Victoria is also part of our Nova Education Trust and therefore I regularly have the pleasure of working with staff from Robert Miles. I have been a teacher and leader in schools across Nottingham for over 20 years and have a real passion for early education. I want our pupils to be caring, creative, responsible, enthusiastic and hardworking individuals who develop a range of skills and knowledge that will carry them on through their education and life.

I am very much aware of the responsibility that my staff and I have in ensuring that the highest standard of teaching and learning is achieved. We have a hugely committed team and wonderful children so that is a great place for me to start!

Robert Miles is a lovely school at the heart of the community in Bingham and I am really looking forward to getting to know you all. I am keen to continue to build a school community which thrives on mutual respect and values positive relationships. I know how vital working in partnership with parents is for children to find school a positive and rewarding experience.

I will be out and about around school in September so do please come and say hello. I am also planning to spend some time in school before the end of term so I may well get to know some of you before September. I am hoping (Covid restrictions notwithstanding) to hold an informal coffee morning where we can meet and have a chat over a cuppa and a slice of cake.

Thank you for your continued support.

Yours faithfully,

Mrs Sonja Adams
