

Wednesday 12th May 2021

Dear Parents/Carers,

At Robert Miles Infants we aim to provide your child with the very best learning experiences, through an inspiring and challenging curriculum preparing children to become lifelong learners. For our school to continue to improve we would like to hear your views. Therefore, we invite you to take place in this short, online survey that can be accessed via the following link:

[Parents/Carers survey.](#)

The survey will take less than 5 minutes to complete and will close on Friday 28th May 2021. The survey is anonymous. If you have more than one child at our school you can complete it as best fit for both children, or complete the form twice (one for each child).

The Nova Education Trust are conducting similar surveys across the Trust to enable us to make improvements both at school and Trust level. Our students and staff will also be asked their views. Below is the link to the pupil survey. Due to the age of the children, they will need your support to answer the questions. This will be in place of homework next week. Please follow the link below.

[Pupil survey](#)

It may help to show them a sliding scale of agree to disagree to help them decide.

I would like to thank you in advance for your cooperation and greatly appreciate your time in supporting our school improvement.

Yours sincerely

Mrs Linda Barbuti
Head of School
