

Pupil Premium Funding

Dear Parent/Carer,

Help Us, Help Your Child – Pupil Premium Funding

We are writing to encourage families to take a moment to complete our Pupil Premium registration form, even if you're unsure whether you qualify.

Pupil Premium funding is additional government money given to schools to support children's education and well-being. This funding allows us to provide valuable resources and support for eligible pupils – and completing the form could unlock a number of benefits for your child.

If your child qualifies, they could receive:

- A free school book bag when they start school.
- Access to extra learning experiences in school, such as clubs, workshops or enrichment activities.
- Financial support towards school trips.
- Additional academic support, such as small group work, tuition or learning resources tailored to your child's needs.
- 10 free sessions at our wrap-around care (breakfast/after school club).
- Free school milk every day.

Even if your child already receives Universal Free School Meals in Reception, Year 1 or Year 2, completing the form could still unlock additional support that goes well beyond lunchtime.

The process is simple, confidential and could make a big difference in your child's educational journey. Please use the following link or scan the QR code: <https://www.nottinghamshire.gov.uk/education/school-meals/free-school-meals-and-milk>.

If you need help filling out the form or have any questions, please speak to a member of the school office team – we're happy to help.

Thank you for your continued support in helping us provide the very best for all our pupils.

Yours sincerely

Mrs K Ryan
Head Teacher
